

Rambus

Quality Policy

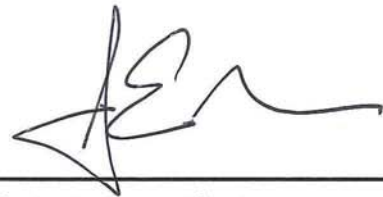

“At Rambus, we are dedicated to customer satisfaction and quality excellence through proactive engagements with our customers and suppliers by providing world class products and services.

We demonstrate our commitment to...

- **Customer and supplier partnerships** by anticipating, understanding and meeting customer expectations.
- **Top management and employees** by maintaining an environment that encourages innovation and nourishes and challenges employees to enhance their skills.
- **Risk-based thinking and continual improvement** by assessing our products and processes to enhance effectiveness, reduce variation, and improve quality.”
